TABLE OF REGULATIONS

The Table of Regulations shows the regulations contained in the Revised Regulations of Ontario, 1990 and those made after December 31, 1990 and before July 1, 1996. It also shows the amendments to those regulations.

Most of the listings are in English only. Some regulations have an official French version. Bilingual regulations are indicated by a bilingual title.

Occasionally numerical, typographical or other clerical errors are made in the publication of the text of regulations. Corrections are published in *The Ontario Gazette*. A schedule of the dates these corrections were published is included at the end of this Table.

The dates on which regulations were published in *The Ontario Gazette* are set out in a table immediately following this Table.

The abbreviation "Rev." means revoked.

The abbreviation "Exp." means expired.

TABLE DES RÈGLEMENTS

La Table des règlements énumère tous les règlements contenus dans les Règlements refondus de l'Ontario de 1990 et ceux pris après le 31 décembre 1990 mais avant le 1^{er} juillet 1996. Elle indique également les modifications apportées à ces règlements.

La plupart des entrées ne figurent qu'en anglais. Quelques règlements ont une version française officielle et leur titre est indiqué dans les deux langues.

À l'occasion, des erreurs d'écritures, notamment d'ordre numérique ou typographique, se glissent dans le texte des règlements qui sont publiés. Des corrections sont publiées dans la *Gazette de l'Ontario*. Les dates auxquelles ces corrections ont été faites figurent dans l'annexe qui se trouve à la fin de cette Table.

Les dates auxquelles les règlements ont été publiés dans la *Gazette de l'Ontario* figurent dans la table qui suit celle-ci.

L'abréviation «Rev.» indique que le règlement est abrogé.

L'abréviation «Exp.» indique que le règlement est périmé.

2. The Regulation is amended by adding the following sections:

20.1 For the purposes of subsection 6 (1) of the Act and subject to section 20.2, the maximum co-payment that the operator of a pharmacy may charge a person other than the Minister in respect of supplying a listed drug product for an eligible person is \$2.00 or the operator’s usual and customary dispensing fee, whichever is less.

20.2 (1) For the purposes of subsection 6 (1) of the Act, the maximum co-payment in respect of a listed drug product that is supplied for an eligible person described in subsection (3) is,

- (a) if, at the time the listed drug product is supplied, the eligible person’s allowable drug costs for the current fiscal year are less than \$100, the lesser of,
 - (i) the difference between \$100 and that amount, and
 - (ii) the sum of the full amount otherwise payable by the Minister under the Act in respect of supplying the listed drug product and the amount equal to the dispensing fee payable under subsection 6 (2) of the Act; and
- (b) if, at the time the listed drug product is supplied, the eligible person’s allowable drug costs for the current fiscal year are \$100 or more, the amount equal to the dispensing fee payable under subsection 6 (2) of the Act.

(2) For the purposes of subsection (1),

“allowable drug costs” means the sum of,

- (a) any amount spent on co-payments in respect of listed drug products supplied for an eligible person in the current fiscal year, and
- (b) any amount spent in respect of nutritional products or diabetic testing agents supplied for the eligible person in the current fiscal year that, in the absence of the co-payment scheme applied in respect of those products and agents, would have been paid by the Ministry under Part IX of the Formulary;

“fiscal year” means the period of July 15, 1996 to March 31, 1997 and, for each subsequent year, the twelve month period that begins on April 1 of each year and ends on March 31 of the following.

(3) This section applies with respect to eligible persons referred to in paragraph 4 of subsection 2 (1) who are not part of any other class of eligible persons under the Act. However, the section does not apply if,

- (b) the Ministry has been informed of the facts referred to in clause (a).

(4) A person who is a spouse or partner of another person under subsections 5 (2), (3) and (4) is a spouse or partner of that person for the purposes of subclause (3) (a) (ii).

3. Section 21 of the Regulation is amended by adding the following subsections:

(5) If the premises from which the operator of a pharmacy dispenses drugs are not electronically connected to the Health Network and, as a result, the operator does not submit claims by direct electronic transmission in accordance with section 24, the operator may charge, or accept payment from, a person other than the Minister in respect of supplying a listed drug product for an eligible person in an amount equal to the amount that would have been payable by the Minister were the operator entitled to be paid under subsection 5 (4) of the Act.

(6) In subsection (5),

“Health Network” has the same meaning as in subsection 23 (1).

4. Subsection 24 (2) of the Regulation is amended by adding the following paragraphs:

5. The Regulation is amended by adding the following section:

28.1 (1) If the operator of a pharmacy charges a person other than the Minister an amount under subsection 21 (5) in respect of supplying a listed drug product, the eligible person for whom the product was supplied is entitled to be paid by the Minister the amount that would have been paid to the operator of a pharmacy had the operator been entitled to payment under subsection 5 (4) of the Act.

(2) An eligible person who is entitled to be paid under subsection (1) may submit a claim for payment on paper and the claim shall include the information set out in subsection 28 (2).

(3) This section applies to an eligible person who submits a claim in respect of supplying a listed drug product for which a person was charged by a physician under section 22 in accordance with subsection 21 (5)

FORM 74.44

NOTICE OF APPLICATION TO PASS ACCOUNTS

ONTARIO COURT (GENERAL DIVISION)

IN THE ESTATE OF (insert name) , deceased.

NOTICE OF APPLICATION TO PASS ACCOUNTS

This application to pass accounts will be heard on (date), at (time), at the court house at (full address of court house), if any person with a financial interest in the estate objects to the accounts or to the compensation claimed, or if a request for increased costs is served and filed.

The deceased died on (date).

A certificate of appointment of estate trustee was issued to (insert name) by this court on (date).

The accounts are for the period from (date) to (date).

The compensation claimed by the estate trustee, payable out of the estate, is (insert amount).

If there is no hearing, the costs of the application claimed by the estate trustee under Tariff C are (amount).

If there is no hearing, a person with a financial interest in the estate who retains a solicitor to review the accounts and makes no objection to them (or makes an objection and later withdraws it) but serves on the estate trustee and files with the court a request for costs (Form 74.49 under the Rules of Civil Procedure), will be allowed one-half of the costs allowed to the estate trustee. However, where two or more persons are represented by the same solicitor, they are entitled to receive only one person's costs. If the Children's Lawyer or the Public Guardian and Trustee makes no objection to the accounts (or makes an objection and later withdraws it) but serves on the estate trustee and files with the court a request for costs (Form 74.49.1), he or she will be allowed three-quarters of the costs allowed to the estate trustee.

If the estate trustee or any person with a financial interest in the estate seeks costs of the application greater than the amount allowed in Tariff C, the estate trustee or other person shall serve on every other party and file, with proof of service, a request for increased costs (Form 74.49.2 or 74.49.3 under the Rules of Civil Procedure), at least 10 days before the hearing date specified in this notice of application. In that case, the hearing shall proceed on the date specified.

Any person with a financial interest in the estate who wishes to object shall do so by serving upon the estate trustee, or the solicitor for the estate trustee, a notice of objection to accounts (Form 74.45 under the Rules of Civil Procedure, a copy of which is attached to this notice of application), and by filing a copy of the notice in the court office at least 20 days before the date fixed for the hearing.

At the hearing, the only issues upon which the court adjudicates are those raised in the notices of objection to accounts and requests for increased costs that have been filed, unless the court grants leave to a party to raise other issues.

If no notice of objection to accounts or request for increased costs is served and filed, the estate trustee may, without a hearing, obtain a judgment passing the accounts and allowing the compensation and costs claimed.

Any person may contact the estate trustee or the estate trustee's solicitor to find out whether there will be a hearing. A copy of the accounts may be obtained from the estate trustee or the estate trustee's solicitor, or may be inspected in the court office during regular business hours.

Lors de l'audience, le tribunal ne statue que sur les questions soulevées dans les avis d'opposition aux comptes et les demandes d'augmentation des dépens qui ont été déposés, à moins qu'il n'autorise une partie à soulever d'autres questions.

STATEMENT OF CLAIM (MORTGAGE ACTION - FORECLOSURE)

TO THE DEFENDANT

A LEGAL PROCEEDING HAS BEEN COMMENCED AGAINST YOU by the plaintiff. The claim made against you is set out in the following pages.

IF YOU WISH TO DEFEND THIS PROCEEDING, you or an Ontario lawyer acting for you must prepare a statement of defence in Form 18A prescribed by the Rules of Civil Procedure, serve it on the plaintiff's lawyer or, where the plaintiff does not have a lawyer, serve it on the plaintiff, and file it, with proof of service, in this court office, WITHIN 20 DAYS after this statement of claim is served on you, if you are served in Ontario.

If you are served in another province or territory of Canada or in the United States of America, the period for serving and filing your statement of defence is 40 days. If you are served outside Canada and the United States of America, the period is 60 days.

Instead of serving and filing a statement of defence, you may serve and file a notice of intent to defend in Form 18B prescribed by the Rules of Civil Procedure. This will entitle you to 10 more days within which to serve and file your statement of defence.

(Where payment of the mortgage debt is claimed, add:)

IF YOU PAY THE PLAINTIFF'S CLAIM, and \$..... for costs, within the time for serving and filing your statement of defence, you may move to have this proceeding dismissed by the court. If you believe the amount claimed for costs is excessive, you may pay the plaintiff's claim and \$100 for costs and have the costs assessed by the court.

REQUEST TO REDEEM

Whether or not you serve and file a statement of defence, you may request the right to redeem the mortgaged property by serving a request to redeem (Form 64A) on the plaintiff and filing it in this court office within the time for serving and filing your statement of defence or at any time before being noted in default. If you do so, you will be entitled to seven days notice of the taking of the account of the amount due to the plaintiff, and to 60 days from the taking of the account within which to redeem the mortgaged property.

If you hold a lien, charge or encumbrance on the mortgaged property subsequent to the mortgage in question, you may file a request to redeem, which must contain particulars of your claim verified by an affidavit, and you will be entitled to redeem only if your claim is not disputed or, if disputed, is proved on a reference.

REQUEST FOR SALE

If you do not serve and file a statement of defence, you may request a sale of the mortgaged property by serving a request for sale (Form 64F) on the plaintiff and filing it in this court office within the time for serving and filing your statement of defence, or at any time before being noted in default. If you do so, the plaintiff will be entitled to obtain a judgment for a sale with a reference and you will be entitled to notice of the reference.

If you hold a lien, charge or encumbrance on the mortgaged property subsequent to the mortgage in question and you do not serve and file a request to redeem, you may file a request for sale which must contain particulars of your claim verified by an affidavit, and must be accompanied by a receipt showing that \$250 has been paid into court as security for the costs of the plaintiff(s) and of any other party having carriage of the sale.

DEFAULT JUDGMENT

IF YOU FAIL TO SERVE AND FILE A STATEMENT OF DEFENCE, JUDGMENT MAY BE GIVEN AGAINST YOU WITHOUT FURTHER NOTICE. IF YOU WISH TO DEFEND THIS PROCEEDING BUT ARE UNABLE TO PAY LEGAL FEES, LEGAL AID MAY BE AVAILABLE TO YOU BY CONTACTING A LOCAL LEGAL AID OFFICE.

CROP INSURANCE PLAN—APPLES

1. The plan in the Schedule is established for the insurance within Ontario of apples.

Schedule*Crop Insurance Act (Ontario)*

1. This plan may be cited as “The Ontario Crop Insurance Plan for Apples”.

2. The purpose of this plan is to provide for insurance against a loss in the production of apples resulting from one or more of the perils designated in section 4.

DEFINITIONS

3. In this plan,

“apples” means all varieties of apples produced in Ontario except crabapples;

“average yield” means the average annual total orchard production of each of fresh apples and juice apples over the preceding six years, as determined by the Commission, and allowing for,

- (a) age of trees,
- (b) biennial bearing,
- (c) tree removal, and
- (d) change in acreage;

“fresh apples” means apples for human consumption in a fresh or processed state but does not include apple juice or apple cider;

“juice apples” means apples to be processed into apple juice or apple cider.

DESIGNATION OF PERILS

4. (1) The following are designated as perils for the purpose of this plan:

1. Drought.
2. Excessive moisture.
3. Freeze injury.
4. Frost.
5. Hail.

6. Unavoidable pollination failure.
7. Excessive wind that results in structural damage to the apple tree bearing the damaged fruit.
8. Adverse weather that causes russetting.

(2) Paragraph 8 of subsection (1) does not apply to a variety of apple known as Russett or Golden Delicious.

CROP YEAR

5. The crop year for apples is the period from December 1 in any year to November 30 next following.

CONTRACT OF INSURANCE

6. The entire contract of insurance for apples is comprised of,

- (a) the contract of insurance in Form 1;
- (b) the application for insurance;
- (c) the production guarantee report;
- (d) the extended coverage endorsement in Form 2, if any; and
- (e) the extended coverage endorsement in Form 3, if any.

7. An application for insurance shall,

- (a) be in a form provided by the Commission;
- (b) be accompanied by a premium deposit of,

(i) \$100, or

(ii) one-quarter of the premium payment made by the insured person for the previous crop year,

whichever is the greater, or

(iii) an amount to be determined by the Commission; and

- (c) be filed with the Commission not later than December 1 in the crop year in respect of which it is made.

DURATION OF CONTRACT

8. A contract of insurance is in force for the crop year in respect of which it is made.

COVERAGE

9. (1) The coverage provided under a contract of insurance for each of fresh apples and juice apples is the total guaranteed production multiplied by the established price.

(2) The total guaranteed production for each of fresh apples and juice apples is the average yield in pounds, multiplied by the percentage selected by the insured person under subsection (3).

(3) By December 1 in each crop year, an insured person shall select one of the following percentages:

70%
75%
80%

(4) If the insured crop is damaged by frost or hail and the actual harvested yield exceeds the average yield, the revised average yield is the sum of the average yield and the percentage of the excess yield selected under subsection (3), allocated to the fresh and juice yields in the same ratio as the average farm yields for fresh and juice apples.

(5) In subsection (4), "revised average yield" means the average yield as it is revised from the average yield of the previous year.

10. The established price is 14 cents per pound for fresh apples and 3.5 cents per pound for juice apples.

11. The maximum indemnity for which the Commission is liable under a contract of insurance is the total of the amounts obtained by multiplying the total guaranteed production determined under section 9 for each of fresh apples and juice apples by the established price per pound determined under section 10.

PREMIUMS

12. (1) In the formulas used in this section,

"A" is the surcharge or discount determined in accordance with subsections (4) and (5);

"B" is the number of years the insured person has been enrolled in the plan;

"C" is the insured person's loss to coverage ratio determined by the Commission;

"D" is the plan's loss to coverage ratio determined by the Commission; and

"E" is the base premium rate determined from Column 2 of the Table.

TABLE

COLUMN 1	COLUMN 2	COLUMN 3
Percentage Selected by Insured	Base Premium Rate	Base Premium Rate with Hail Rider
70	10.2%	12.8%
75	12.0%	15.0%
80	14.3%	17.8%

(2) The premium payable in the crop year is calculated by multiplying the coverage as determined under section 9 by the premium rate as determined under subsection (3).

(3) The premium rate is determined by the following formula:

$$\text{Premium rate} = E (1 + A)$$

(4) "A" is determined by the following formula:

$$A = \frac{B \left(\frac{C}{B} - 1 \right)}{25}$$

(5) If the calculation in subsection (4) results in "A" being greater 0.25, "A" shall be deemed to be 0.25 or if the calculation in subsection (4) results in "A" being less than minus 0.25, "A" shall be deemed to be minus 0.25.

(6) The premium determined in accordance with subsections (1) to (5) includes payments in respect of premiums made by the Province of Ontario and the Government of Canada under the *Crop Insurance Act* (Canada).

(7) Despite subsections (1) to (5), the minimum premium payable by an insured person in each crop year is \$100.

13. If a premium is payable in respect of a crop year, the insured person shall pay the premium, less the premium deposit, to the Commission at the time the production guarantee report prescribed by section 14 is returned to the Commission.

PRODUCTION GUARANTEE REPORT

14. (1) The Commission shall prepare and deliver a production guarantee report to each insured person in each crop year.

(2) The insured person shall sign a copy of the report and return it to the Commission.

2. Regulation 216 of the Revised Regulations of Ontario, 1990, and Ontario Regulations 418/92, 177/93, 84/94 and 6/95 are revoked.

TERMS AND CONDITIONS

INSURED CROP

1. In this contract, "insured crop" means all varieties of apples produced in Ontario except crabapples.

CAUSES OF LOSS NOT INSURED AGAINST

(2) This contract does not apply to acreage that is not suitable for or is not properly prepared for cropping.

HARVESTING

4. (1) All insured acreage shall be harvested unless the Commission consents in writing to the abandonment or destruction of the insured crop or any part of it and, in that case, the Commission shall determine,

- (a) the potential production of the unharvested acreage; and
- (b) whether the harvesting was prevented by one or more of the perils insured against.

(2) No indemnity is payable in respect of the unharvested acreage to an insured person who fails to obtain the consent of the Commission in accordance with subparagraph (1).

EVALUATION OF LOSS

5. (1) The amount of loss to be taken into account in the final adjustment of loss in respect of the total insured acreage is calculated by subtracting from the maximum indemnity the actual production of fresh apples multiplied by the established price and the actual production of juice apples multiplied by the established price.

(2) For the purpose of subparagraph (1),

- (a) actual production includes,
 - (i) the total fresh apple and juice apple production from all insured acreage, and
 - (ii) the potential production, as determined by the Commission, of wholly or partially unharvested acreage where the failure to harvest resulted from a peril not insured against; and

- (b) fresh apple production sold as juice apples shall be deemed to be fresh apple production.

NOTICE OF LOSS OR DAMAGE

6. (1) Where,

- (a) loss or damage to the insured crop occurs; or
- (b) the insured crop or any part thereof is or is intended to be sold on a pick-your-own basis,

the insured person shall notify the Commission in writing prior to harvest in order that a pre-harvest inspection may be made.

(2) Despite subparagraph (1), if loss or damage to the insured crop occurs, the insured person shall notify the Commission in writing within the following time limits:

1. For hail or excessive wind damage, within three days of the time of loss.
2. For frost damage or freeze injury affecting the quality of the fruit, within three days of the time of loss.

(3) Where the insured person fails to notify the Commission under subparagraphs (1) and (2), the insured person's right to indemnity is forfeited.

MISREPRESENTATION, VIOLATION OF CONDITIONS OR FRAUD

7. An insured person's right to recover indemnity is forfeited if the person,

INTEREST OF OTHER PERSONS

9. Even if a person other than the insured person holds an interest of any kind in the insured crop, for the purposes of this contract,

- (a) the interest of the insured person in the insured crop is deemed to be the full value of the crop; and
- (b) except as provided in paragraph 10, no indemnity shall be paid to any person other than the insured person.

ASSIGNMENT OF RIGHT OF INDEMNITY

10. The insured person may assign all or part of a right to indemnity under this contract in respect of the insured crop but an assignment is not binding on the Commission and no payment of indemnity shall be made to an assignee unless,

- (a) the assignment is made on a form provided by the Commission; and
- (b) the Commission consents thereto in writing.

ADJUSTMENT OF LOSS

11. (1) The indemnity payable for loss or damage to the insured crop shall be determined in the manner set out in this contract.

(2) The Commission may cause the production of the insured crop to be appraised by any method that it deems proper.

(3) No indemnity shall be paid for a loss in respect of the insured crop unless the insured person establishes,

- (a) the actual production obtained from the insured crop for the crop year; and
- (b) that the loss in production or part thereof resulted directly from one or more of the designated perils.

(4) Where a loss in production resulted partly from a peril insured against and partly from a cause of loss not insured against, the Commission shall determine the amount of the loss

that resulted from the cause of loss not insured against, and the indemnity payable by the Commission under this contract shall be reduced accordingly.

PROOF OF LOSS

Crop Insurance Act (Ontario)

EXTENDED COVERAGE ENDORSEMENT

DEFINITIONS

1. In this Form,

"gross production" means the total damaged and undamaged production of the insured crop in each separate orchard;

"insured crop" means all varieties of apples produced in Ontario except crabapples;

"separate farms" means farms, whether adjoining or not, that have different addresses or different legal descriptions;

"separate orchards" means orchards that are operated by the same insured person, that are located on separate farms and that have yields that are maintained separately.

TERMS AND CONDITIONS

2. (1) This endorsement provides for insurance against a loss in the grade of apples resulting from hail damage to separate orchards or, if the insured person operates only one orchard, to that orchard.

(2) Each separate orchard is insured under this endorsement on an individual basis.

(3) The only insurable peril under this endorsement is hail.

(4) In order to qualify for coverage under this endorsement, the insured person shall offer for insurance all separate orchards that are planted to the insured crop and that are operated by that person in Ontario.

(5) This endorsement is in force where the insured person applies for insurance in Form 1 of this plan, applies for the extended coverage offered under this endorsement and pays the premium set out in paragraph 9.

APPLICATION

3. An insured person may make application for extended coverage up until the time that the production guarantee report is completed and the premium is paid by the insured.

4. The extended coverage under this endorsement may be cancelled by the insured person by notice in writing to the Commission on or before June 10 in the crop year during which the cancellation is to take effect.

COVERAGE

5. (1) The coverage provided under this endorsement shall be the same as that set out in subsection 9 (1), (2) and (3) of the Schedule.

(2) Subsection 9(4) of the Schedule does not apply to this endorsement.

6. The established price for apples shall be the same as that set out in section 10 of the Schedule.

7. The maximum indemnity for which the Commission is liable under a contract of insurance in Form 1 and insurance provided by this endorsement is the total of amounts obtained by multiplying the total guaranteed production determined under section 9 of the Schedule for each of fresh apples and juice apples by the established price per pound set out in section 10 of the Schedule.

8. For the purposes of this endorsement, an indemnity for a separate orchard shall be payable only where 10 per cent or more of the insured crop in the separate orchard is damaged by hail.

PREMIUMS

9. The total premium payable in the crop year for both the contract of insurance and this endorsement is the same as that determined in accordance with section 12 of the Schedule except that the premium rate is determined by the following formula:

Premium rate = base premium rate determined from Column 3 of the Table to subsection 12(1) of the Schedule $\times (1 + A)$.

10. The total premium payable under this endorsement shall be paid by the insured person at the time the contract of insurance for this endorsement is finalized between the Commission and the insured person.

EVALUATION OF LOSS

11. (1) The indemnity for each separate orchard is calculated by subtracting from the lesser of

- (a) the percentage of the actual production of apples which represents the historical percentage of production made up of fresh apples; or

(b) the guaranteed production of fresh apples, multiplied by the established price for fresh apples, the following:

1. The damaged fresh apple production multiplied by the established price for juice apples.
2. The undamaged fresh apple production multiplied by the established price for fresh apples.

(2) For the purposes of subparagraph (1),

(a) undamaged production includes,

- (i) the total fresh apple and juice apple production from each separate orchard, and
- (ii) the potential fresh apple production, as determined by the Commission, of wholly or partially unharvested acreage where the failure to harvest resulted from a peril not insured against under this endorsement; and

(b) fresh apple production sold as juice apples shall be deemed to be fresh apple productions.

NOTICE OF LOSS OR DAMAGE

12. Where loss or damage to the insured crop occurs, the insured person shall notify the Commission immediately in writing.

opinion of the Commission, are not insurable; or

- (c) of a total insurable value of less than \$3,000 according to the Table.

(3) If more than 80 per cent of the trees in a block of trees, as determined by the Commission, are damaged due to an insured peril, an indemnity is payable for all the trees in the block.

- (a) 500 trees; or

- (b) 3 percent of the total number of trees insured,

whichever is fewer, are damaged by one or more of the insured perils to the extent that the trees are of no further value.

(5) An indemnity payable under this endorsement is reduced by an amount equal to 3 per cent of the insured person's coverage under this endorsement for the year that the indemnity is payable.

COVERAGE

5. (1) Subject to subparagraph (2), the coverage provided under this endorsement is the value per tree in accordance with the Table multiplied by the number of insured trees.
